Low Option Hosp. Plan
Supp. Hosp. Plan

4 January 1983

MEMORANDUM FOR THE RECORD

STAT On 3 January 1983, C and DC/IB along with C/BSO and DD/Pers/SP met
STAT with [] (DD/Pers) to discuss initiation of a review to
determine the feasibility of the addition of a low option into the
existing Association Benefit Plan Insurance Program and a supplemental
"Indemnity" Hospitalization Plan. [] requested that C/IB
conduct preliminary discussions with representatives from Mutual of Omaha
and the Office of Personnel Management; the latter with respect to the
low option.

STAT With respect to the Indemnity Plan, [] requested that we
explore with Mutual various options that would offer payments of \$25, \$50,
and \$75, etc. It was also his belief that such a plan should initially
be limited to participants in the Association Benefit Plan. He also
requested that a paper be formulated for presentation to the Board of
Directors regarding this issue.

STAT With respect to the low option plan, he also requested that a paper
be drawn up outlining the pros and cons and benefits to be offered in
such a plan. Also, for the presentation to the Board of Directors for
their consideration.
